

# Niroo Farab

Producer of irrigation and climate control System

**NIROOFARAB**

INTELLIGENT CLIMATE CONTROL SYSTEMS  
AND  
NITRITION - IRRIGATION MACHINES

Niroo Farab Co. 

## Intelligent nutrition and irrigation system

# Nutri Farab

### Model : F316

- Fertilization ability of each crop separately
- Linear injection of fertilization and nutrition (uniform mix)
- irrigation ability of crop until 2000 states
- Command ability until 16 valves
- Grouping ability of irrigation valves
- Automatic set of pressure in irrigation lines
- Automatic control of irrigation by soil humidity and lux
- Taking graph from irrigation and save it unlimitedly
- Network usage in irrigation and climate control
- Remote control of irrigation and also control by mobile and computer
- Use from 2 EC sensors and 2 PH ones in system and saloon
- Economy in water consumption
- Have 2 fertilization ,1 acid and 1 input for poison injection
- Suitable for small units of flower and vegetable crops

 (+9831) : 53518299 - 53520010

### Model : F532

- Fertilization ability of each crop separately
- Linear injection of fertilization and nutrition (uniform mix)
- Fertilization and irrigation ability of crop until 4000 states
- Irrigation and command ability until 32 valves
- Grouping ability of irrigation valves
- Automatic set of pressure in irrigation lines
- Automatic control of irrigation by soil humidity and lux
- Taking graph from irrigation and save it unlimitedly
- Network usage in irrigation and climate control
- Remote control of irrigation and also control by mobile and computer
- Use from 4 EC sensors and 4 PH ones in system and saloon
- Economy in water consumption
- Have 4 fertilization ,1 acid and 1 input for poison injection
- Suitable for large units and different crops
- Automatic system of checkup in nutrition tanks
- Connection ability of control system and spring let filtration
